TC78 extended batteries

Buy 600 extended batteries for the Zebra TC78, get 300 free. A Peak × Zebra partner structure, so Peak sells at a discounted price — not through ISPs.

01 — THE NEED

Routes outlast standard batteries

Long route days force mid-shift swaps — lost minutes at the door, dropped sessions. The TC78 extended battery carries 7,000 mAh and swaps in seconds.

02 — THE DEVICES

TC78 only

Extended batteries for the Zebra TC78. Not the ET401, not any other device.

03 — WHAT PEAK GETS

600 paid + 300 free

600 paid units, 300 free — all TC78 extended batteries. The partner structure lets Peak quote a discounted price. Not an ISP offer.

DEAL STATUS — SUBMITTED TO PAT BOGAN, ZEBRA FEDEX ACCOUNT DIRECTOR, ON AUGUST 18, 2026.
